# MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### INDUSTRY PERSPECTIVE VIS-À-VIS COMPANY

The Company operates primarily in the manufacture of Bulk Drugs and Real Estate Business.

#### FINANCE:

The gross revenue of the Company was ₹ 144.26 Crores for the year under review as compared to ₹ 134.08 Crores for the previous year ended on 31st March, 2016. The Company registered a net profit of ₹ 24.10 Crores as compared to net profit of ₹ 42.61 Crores for the previous year ended on 31st March, 2016.

#### **OUTLOOK:**

#### **BULK DRUGS BUSINESS:**

The Bulk Drugs Business of the Company did not perform satisfactorily, in spite of good cost-reduction achieved, primarily due to economical pressures of high overheads & stiff-competition from China. However, the Company has successfully launched two API's during this year.

#### **REAL ESTATE BUSINESS:**

During the year, the Company started recognizing revenue on its real estate project, VEDA based on the percentage of completion method. The project is in its mid-stage of construction. The general outlook for the industry remains subdued due to sluggish demand.

#### **OPPORTUNITY:**

With the implementation of Real Estate (Regulation and Development) Act, 2016, it is expected that competition from unorganized sector will be lower and the Company as a reputed corporate in compliance with law of land will be able to garner better market share.

Real Estate industry, at the macro level, expects to do better with falling interest rates. The Company has started construction on a commercial project with the objective of earning rental income.

#### **CONCERN / RISK:**

The Company continues to struggle in API business inspite of many initiatives in past few years. The business faces uncertain and bleak future, though the Company has made sincere efforts to get a firm-foothold in API-intermediate business. But, it is not very successful in this exercise for two reasons: China offers these molecules at a cheaper price in the market and the Company does not have GMP-conforming facility of that high standard which will satisfy regulatory API-manufacturers who are the customers for this synthetic API-business & are desirous of a long-term-association.

#### THREAT:

The Company's business of Bulk Drugs is under pressure due to rigid, new & stringent pollution-norms and secondly due to ever-increasing demands of capital upgradation, for the business development in an uncertain market and for the refurbishment of the manufacturing-facility.

#### **INTERNAL CONTROL SYSTEMS AND ADEOUACY:**

The Company maintains a system of well-established policies and procedures for internal control of operations and activities.

The Company has appointed Internal Auditors for the Bulk Drugs division and Real Estate Division to ensure proper system of Internal Control and its adequacy.

The reports of Internal Auditors are presented on quarterly basis before the Audit Committee and their recommendations are implemented.

#### **HUMAN RESOURCE INTERVENTION:**

Taking into account the actual work-load demand of numbers & skills, Company decided to right-size the manpower. This year the company offered a good VRS-settlement one more time which was well accepted by the workers. The management staff was given a guiding orientation to meet the challenges of multi-tasking and multi skilling.

#### **HEALTH, SAFETY, SECURITY AND ENVIRONMENT:**

Health, Safety, Security and Environment is at the core of our business and all employees are accountable for it. Alembic's operations are well-resourced to follow the required practices as regards to Health, Safety, Security and Environment.

During the year under review, various safety audits were carried out by Independent consultants. Environmental audits (statutory) were also carried out and submitted to pollution control boards for their review.

The Company continues to invest resources on maintaining and complying on all regulatory requirements. Efforts are made at all levels to conserve energy and resources. Plantation programs were organized and special attention is provided to the Solvent Recovery Program.

# Independent Auditor's Report

### TO THE MEMBERS OF ALEMBIC LIMITED

### **Report on the Standalone Ind AS Financial Statements**

We have audited the accompanying standalone Ind AS financial statements of **Alembic Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these

standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31st March, 2017, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### **ANNEXURE A**

#### Re: Alembic Limited.

#### Referred to in paragraph I on Report on Other Legal and Regulatory Requirements of our report.

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) These fixed assets have been physically verified by the management during the year as per the phased programme of physical verification of fixed assets. As informed to us the programme is such that all the fixed assets will get physically verified in three year time. In our opinion the same is reasonable having regard to the size of the Company and the nature of its fixed assets. No material discrepancies were noticed on such verification.
  - (c) The title deeds of immovable properties are held in the name of the company.
- (ii) Physical verification of inventory has been conducted at reasonable intervals by the management and No material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any secured or unsecured loans to companies, firms, limited liability partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore the requirements of sub-clause (a), (b) and (c) of clause (iii) are not applicable to the Company.
- (iv) In respect of loans, investments, guarantees, and security provisions of section 185 and 186 of the Companies Act, 2013 have been complied with.
- (v) The Company has not accepted any deposits during the year. Therefore the question of complying with directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder do not arise.
- (vi) The Central Government has specified the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013. Such accounts and records have been made and maintained by the Company.
- (vii) (a) The Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities.
  - (b) Dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax that have not been deposited on account of any dispute are as under.

### TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ALEMBIC LIMITED

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ALEMBIC LIMITED ("the Company") as of March 31st, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (I) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at March 31st, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### 1.4 Significant Accounting Policies and other explanatory notes

### I Significant Accounting Policies

### a) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Sales are disclosed inclusive of excise duty, but net of sales return, service tax, value added tax and CST

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Income from operations includes revenue earned on account of job work income and rent income which is accounted as per the terms agreed with the customers, Export benefits available under prevalent schemes are accounted to the extent considered receivable.

Revenue from Real Estate Projects is recognized based on sold areas as per the percentage completion method. The stage of completion is determined as per the proportion of the cost of construction and development actually incurred till reporting date and the total estimated cost of construction and development of the project. The total estimated cost of the project are estimated based on the technical and other estimates of saleable areas, costs, etc. The estimates costs are revised periodically by the management. The effect of such changes to estimates is recognized in the period such changes are determined.

### b) Foreign Currency Transaction

Transactions in foreign currencies are initially recorded by the Company at the rate of exchange prevailing on the date of the transaction.

Monetary assets and monetary liabilities denominated in foreign currencies remaining unsettled at the end of the year are converted at the exchange rate prevailing on the reporting date.

Differences arising on settlement or conversion of monetary items are recognised in statement of profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

### c) Employee Benefits

### i) Defined Benefit Obligation Plans:

#### - Gratuity

The Company operates a defined benefit gratuity plan which requires contributions to be made to a separately administered fund by the Life Insurance Corporation of India (LIC) and HDFC Standard Life Insurance.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method

The service cost and the net interest cost are charged to the Statement of Profit and Loss. Actuarial gains and losses arise due to re-measurement as result of the actual experience and the assumed parameters and changes in the assumptions used for valuation are recognised in the Other Comprehensive Income (OCI).

#### Provident Fund

The Company's contribution to provident fund, administered through a Company managed trust, is recognised as an expense in the Statement of Profit and Loss.

### Leave Liability

The Company has a policy to allow accumulation of leave by employees up to certain days. The excess leave will either be encashed or funded by the Company to LIC for and on behalf of employees. Accordingly, the excess leave liability is discharged by the Company upon such funding to LIC. Remaining accumulated leave liability (other than sick leave) as at the year end is provided as per actuarial valuation.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Actuarial gains and losses arise due to difference in the actual experience and the assumed parameters and also due to changes in the assumptions used for valuation. The Company recognizes these actuarial gains and losses in the statement of Profit and Loss, as income or expense.

#### - Sick Leave

Accumulated sick leave is provided for at actual in the Statement of Profit and Loss.

### ii) Defined Contribution Plan

Superannuation fund is administered by the HDFC Standard Life Insurance Company Ltd. The contribution to Superannuation fund, Contribution to pension fund, ESIC and Labour Welfare Fund are recognised as an expense in the statement of profit and loss .

### d) Property, Plant and Equipment

Property, plant and equipment are recorded at cost of acquisition / construction less accumulated depreciation and impairment losses, if any. Cost comprises of the purchase price net of creditable Cenvat, Service Tax and Value Added Tax, if any, and any attributable cost of bringing the assets to its working condition for its intended use.

Components of an asset are separated where their value is significant in relation to the total value of the asset and where those components have different useful lives to the remainder of the asset.

Where a component is replaced or restored, the carrying amount of the old component will be derecognised and value of new component / restoration cost will be added. Where the carrying value of the derecognised/replaced component is not known a best estimate will be determined by reference to the current cost.

Assets with a gross cost of  $\mathfrak{T}$  50 lacs and above will be considered for componentisation. Of those assets, for the purpose of determining a 'significant' component of an asset, components with a value of 20% and more in relation to the overall

value of the asset will be considered and then only if the component has a significant different useful life for depreciation purposes so as to result in depreciation charges that differ materially from the depreciation charges had the asset not been compensated.

### e) Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. Investment properties are depreciated using the straight-line method over their estimated useful lives. Though the company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by external independent valuer applying reasonable valuation standard.

### f) Depreciation / Amortisation on Property, Plant & Equipment and Investment Properties

Depreciation on property, plant & equipment and investment properties is provided on Straight Line Basis as per the useful life prescribed in schedule II of the Companies Act 2013. Depreciation on these assets have been provided on the net restated book value prospectively over the remaining useful life as per Schedule II of Companies Act. 2013.

Property, Plant & Equipment of real estate division of company are depreciated considering its useful life of three years.

### g) Capital Work-in-Progress

Projects under construction wherein assets are not ready for use in the manner as intended by the management are shown as Capital Work-In-Progress.

### h) Leases

### i) As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases are charge to profit / loss accounts as are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

#### ii) As a lessor

Lease income from operating leases where the company is a lessor is recognised in income on transaction value as the lease receipts are structured to increase in line with expected general Inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet as investment property.

### i) Fair value Measurement

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

### j) Impairments of Non-Current Assets

Non-financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

### k) Inventories

All Inventories are valued at the lower of cost and net realisable value.

Raw materials, Stores and Spares & Packing Material are valued at lower of cost determined on weighted average basis and net realisable value.

Work in process is valued at cost plus appropriate share of labour and manufacturing overheads.

Finished Goods are valued at cost plus appropriate share of labor, manufacturing overheads and excise duty thereon.

Construction work in progress is valued at cost and net realisable value whichever is lower. The cost is determined considering proportionate, cost of a) value of land b) direct construction cost, c) development expenses and d) attributable indirect expenses.

#### I) Trade Receivables

Trade receivables are carried at original invoice amount less any provisions for doubtful debts. Provisions are made where there is evidence of a risk of non-payment, taking into account ageing, previous experience and general economic conditions. When a trade receivable is determined to be uncollectable it is written off, firstly against any provision available and then to Statement of Profit and Loss Accounts.

### m) Cash and Cash Equivalent

Cash and cash equivalents include cash at bank and cash in hand and highly liquid interest-bearing securities with maturities of three months or less from the date of inception/acquisition.

In the cash-flow statement, cash and cash equivalents are shown net of bank overdrafts, which are included as current borrowings in liabilities on the balance sheet.

### n) Borrowing Costs

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

### o) Taxation

#### i) Current Income Tax

Income tax expense comprises of current tax and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity/OCI, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted on the reporting date.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously

### ii) Deferred Tax

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. The benefit of credit against the payment made towards Minimum Alternate Tax for the earlier years is available in accordance with the provisions of the section 115J (AA) of income tax act 1961 over the period of subsequent 15 assessment year and it is recognised to the extent of deferred tax liability in view of the certainty involved of its realisation against reversal of deferred tax liability.

### p) Financial Instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

### a) Financial Assets

### i) Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e, the date that the Company commits to purchase or sell the asset.

### ii) Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

### a Financials Assets at Amortised Cost:

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, debt instruments at amortised cost are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

### b Financial Assets at Fair Value Through Other Comprehensive Income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

### c Financial Assets at Fair Value Through Profit or Loss

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

### iii) De-recognition:

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind. AS 109.

### iv) Impairment:

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through Profit and Loss / OCI. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is treated as an impairment gain or loss in Statement of profit and loss.

### b) Financial Liabilities:

### i) Initial Recognition and Measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities are classified, at initial recognition, as at fair value through profit and loss or as those measured at amortised cost.

### ii) Subsequent Measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

### a Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

### b Financial Liabilities Measured at Amortised Cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method except for those designated in an effective hedging relationship.

#### iii) De-recognition

A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

### q) Provision and Contingent Liabilities & Assets

#### i) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

### ii) Contingent Liabilities

Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by the future events not wholly within the control of the company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

### iii) Contingent Assets

Contingent Assets are not recognised but are disclosed in the notes to the financial statements.

### r) Earning Per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

### II Key Accounting Judgments, Estimates and Assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

### III First Time Adoption

### **Fair valuation of Equity Investments**

Under the previous IGAAP, investments in equity instruments and mutual funds were classified as long-term investments or current investments based on the intended holding period and reliability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value.

Under Ind AS, these investments are required to be measured at fair value. Fair value changes with respect to investments in equity instruments designated as FVTPL, The resulting fair value changes of these investments have been recognised in retained earnings as at the date of transition. ₹ 0.77 Lacs as at 1st April 2015 and subsequently in the profit or loss for the year ended 31 March 2016.

Fair value changes with respect to investments in equity instruments designated as FVOCI have been recognised in FVOCI – Equity investments reserve as at the date of transition and subsequently as part of the other comprehensive income for the year ended 31 March 2016. This increased reserves by ₹ 3,721.25 Lacs as at 1 April 2015.

Fair value changes with respect to investments in equity instruments designated as FVOCI have been recognised in FVOCI – Debt investments reserve as at the date of transition and subsequently as part of the other comprehensive income for the year ended 31 March 2016. This increased reserves by ₹ 590.86 Lacs as at I April 2015.

#### **Deferred Tax**

Deferred tax have been recognised on the adjustments made on transition to Ind AS.

#### Property, Plant and Equipment

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at I April 2015 measured as per the previous IGAAP and use that carrying value as the deemed cost of the property, plant and equipment.

### **Investment Properties**

On transition to Ind AS, the company has elected to continue with the carrying value of all of its investment properties recognised as at I April 2015 measured as per the previous IGAAP and use that carrying value as the deemed cost of investment properties.

### Re-measurements of Post-Employment Benefit Obligations

Under Ind AS, re-measurements i.e. actuarial gains and losses and the return on plan assets, are recognised in other comprehensive income instead of profit or loss. Under the previous IGAAP, these re-measurements were forming part of the profit or loss for the year. As a result of this change, the profit for the year ended March 31, 2016 increase by ₹ 0.62 Lacs. There is no impact on the total equity as at 31 March 2016.

### **Excise Duty**

Under the previous IGAAP, revenue from sale of products was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty paid is presented on the face of the statement of profit and loss as part of expenses. This change has resulted in an increase in total revenue and total expenses for the year ended 31 March 2016 by ₹ 691.07 Lacs. There is no impact on the total equity and profit.

### **Security Deposits**

Under the previous IGAAP, interest free lease security deposits (that are refundable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial Liability/Assets are required to be recognised at fair value. Accordingly, the company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as Deferred Rental Income/ Deferred Expense. Consequent to this change, the amount of security deposits (liability) decreased by ₹ 44.93 lacs and security deposits (Asset) decreased by ₹ 0.38 Lacs as at 31 March 2016. The Deferred Rental Income (liability) increased by ₹ 44.93 Lacs as at 31 March 2016 (I April 2015 ₹ 53.24 Lacs) and the Deferred Expense (Asset) increased by ₹ 0.38 Lacs (1st April, 2015 ₹ 0.64 Lacs).

### Other Comprehensive Income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes re-measurements of defined benefit plans and fair value gains or (losses) on FVOCI Equity Instruments and on FVOCI Debt Instruments. The concept of other comprehensive income did not exist under previous IGAAP.

On transition to Ind As, the company has elected to measure investment in associates at deemed cost. The deemed cost for such investment is ₹ 1,100 Lacs, the carrying value of Investment as per previous IGAAP.

#### Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated state of affairs (financial position), consolidated profit or loss including Other Comprehensive Income (financial performance), consolidated cash flows of the Company and changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards(Ind AS) prescribed under Section 133 of the Act.

The respective Board of Directors of the Company and its Associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the respective companies and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

## Annexure to the Auditor's Report

#### **ANNEXURE A**

#### Re: Alembic Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") referred to in Para (g) on Report on Other Legal and Regulatory Requirements in our report.

In conjunction with our audit of the consolidated Ind AS financial statements of the Alembic Limited as of and for the year ended 31st March, 2017, We have audited the internal financial controls over financial reporting of Alembic Limited (hereinafter referred to as "the Company") and in respect of its Associates companies wherein such audit of the internal financial controls over financial reporting was carried out by other Auditors whose reports have been forwarded to us and have been appropriately dealt with by us in making this report as of that date.

#### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Company and its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Annexure to the Auditor's Report

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **Other Matters**

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to two associate companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

### SIGNIFICANT ACCOUNTING POLICIES

#### I) Basis of Preparation:

The Financial Statement of the associates used in the consolidation is drawn up to the same reporting date as that of the Alembic Limited ("the Company"), i.e. 31st March, 2017

#### II) Principles of Consolidation:

The Consolidated Financial Statements consist of Alembic Limited ("the Company") and its associates (collectively referred to as "the Group"). The Consolidated Financial Statements have been prepared on the following basis:

Investment and share of profit of associate has been consolidated as per the equity method as per Ind AS 28 – "Investments in Associates" specified under Section 133 of the Companies Act 2013 read with Companies (Accounts) Rules 2015.

The Group accounts for its share of post-acquisition changes in net assets of associates, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associates' Statement of Profit and Loss and through its reserves for the balance based on available information.

#### III) First Time Adoption:

#### Fair valuation of Equity investments

Under the previous IGAAP, investments in equity instruments and mutual funds were classified as long-term investments or current investments based on the intended holding period and reliability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value.

Under Ind AS, these investments are required to be measured at fair value. Fair value changes with respect to investments in equity instruments designated as FVTPL, The resulting fair value changes of these investments have been recognised in retained earnings as at the date of transition ₹ 0.77 Lacs as at 1st April 2015 and subsequently in the profit or loss for the year ended 31 March 2016.

Fair value changes with respect to investments in equity instruments designated as FVOCI have been recognised in FVOCI – Equity investments reserve as at the date of transition and subsequently as part of the other comprehensive income for the year ended 31 March 2016. This increased reserves by ₹ 3,721.25 Lacs as at 1 April 2015

Fair value changes with respect to investments in equity instruments designated as FVOCI have been recognised in FVOCI – Debt investments reserve as at the date of transition and subsequently as part of the other comprehensive income for the year ended 31 March 2016. This increased reserves by ₹ 590.86 Lacs as at I April 2015

#### Deferred tax

Deferred tax have been recognised on the adjustments made on transition to Ind AS.

#### Property, plant and equipment

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at I April 2015 measured as per the previous IGAAP and use that carrying value as the deemed cost of the property, plant and equipment.

#### **Investment properties**

On transition to Ind AS, the company has elected to continue with the carrying value of all of its investment properties recognised as at 1 April 2015 measured as per the previous IGAAP and use that carrying value as the deemed cost of investment properties.

#### Re-measurements of post-employment benefit obligations

Under Ind AS, re-measurements i.e. actuarial gains and losses and the return on plan assets, are recognised in other comprehensive income instead of profit or loss. Under the previous IGAAP, these re-measurements were forming part of the profit or loss for the year. As a result of this change, the profit for the year ended March 31, 2016 increase by ₹ 0.62 Lacs. There is no impact on the total equity as at 31 March 2016.

#### Excise duty

Under the previous IGAAP, revenue from sale of products was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty paid is presented on the face of the statement of profit and loss as part of expenses. This change has resulted in an increase in total revenue and total expenses for the year ended 31 March 2016 by ₹ 691.07 Lacs. There is no impact on the total equity and profit.

#### **Security deposits**

Under the previous IGAAP, interest free lease security deposits (that are refundable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial Liability/Assets are required to be recognised at fair value. Accordingly, the company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as Deferred Rental Income/ Deferred Expense. Consequent to this change, the amount of security deposits (liability) decreased by  $\stackrel{?}{_{\sim}}$  44.93 lacs and security deposits (Asset) decreased by  $\stackrel{?}{_{\sim}}$  0.38 Lacs as at 31 March 2016. The Deferred Rental Income (liability) increased by  $\stackrel{?}{_{\sim}}$  44.93 Lacs as at 31 March 2016 (I April 2015  $\stackrel{?}{_{\sim}}$  53.24 Lacs) and the Deferred Expense (Asset) increased by  $\stackrel{?}{_{\sim}}$  0.38 Lacs (1st April, 2015  $\stackrel{?}{_{\sim}}$  0.64 Lacs).

#### Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes re-measurements of defined benefit plans and fair value gains or (losses) on FVOCI equity instruments. The concept of other comprehensive income did not exist under previous IGAAP.

On transition to Ind AS, the company has elected to measure investment in associates at deemed cost, The deemed cost for such investment is  $\mathfrak{T}$  1,100 Lacs, the carrying value of Investment as per previous IGAAP.

#### I Reconciliations

#### III (1) Statement of Reconciliation Between IGAAP and Ind AS.

The following reconciliations provides the effect of transition to Ind AS from IGAAP in accordance with Ind AS 101

- Equity as at 1st April, 2015 and 31st March, 2016
- ii Net Profit for the year ended 31st March, 2016

# Addendum to the Notice of 110th Annual General Meeting

Addendum to the Notice dated 9th May, 2017 convening the 110th Annual General Meeting of the Company scheduled to be held on Friday, the 28th July, 2017 at 12:30 p.m. at "Sanskruti", Alembic Corporate Conference Center, Opp. Pragati Sahakari Bank Limited, Alembic Colony, Vadodara - 390 003.

Notice is hereby given that the following item of business is added in the aforesaid Notice as Item No. 8 as a Special Business:

8. To consider and if thought fit, to pass the following Resolution as an Ordinary Resolution:

Appointment of Mr. Murali Rajagopalachari (DIN: 00759040) as Director of the Company:

"RESOLVED THAT pursuant to the provisions of Section 152 and other applicable provisions, if any, of the Companies Act, 2013 and rules framed thereunder, Mr. Murali Rajagopalachari (DIN: 00759040) in respect of whom the Company has received a notice in writing on 12th July, 2017 from a member along with requisite deposit of ₹ 1 Lac, pursuant to the provisions of Section 160 of the Companies Act, 2013 proposing the candidature of Mr. Murali Rajagopalachari to the office of a Director, be and is hereby appointed as a Director of the Company, liable to retire by rotation."

# Explanatory Statement as required under Section 102 of the Companies Act, 2013 Item No. 8

The Board of Directors of the Company had at its meeting held on 9th May, 2017, approved the Notice convening the 110th Annual General Meeting (AGM) of the Company scheduled to be held on 28th July, 2017 and the same had already been circulated to the members.

Subsequently, on 12th July, 2017, the Company has received a notice in writing dated 12th July, 2017 from Unifi Capital Pvt. Ltd., under the signature of its Managing Director, Mr. Sarath Reddy, also a shareholder of the Company, proposing the candidature of Mr. Murali Rajagopalachari, another shareholder of the Company, for being appointed as a small shareholders director under Section 151 of the Companies Act, 2013 ("the Act"). Further, the Company has also received from Mr. Sarath Reddy, a cheque of ₹1 lac, stating that the same is in terms of Section 160 of the Act.

Since Mr. Sarath Reddy has enclosed the requisite deposit amount under Section 160 of the Act, the Board has amended the Notice convening the 110th Annual General Meeting by way of an addendum and inserted an agenda item for appointment of Mr. Murali Rajagopalachari to the office of a Director, liable to retire by rotation.

Pursuant to Rule 13 of the Companies (Appointment and Qualification of Directors) Rules, 2014, r/w. Section 160 of the Act, the Company is required to inform the members of the above referred candidature and place notice of such candidature on its website. Accordingly, the Board of Directors has amended the Notice of the 110th Annual General Meeting by adding Item No. 8 by way of addendum to the said Notice. The Proxy Form shall be deemed to be amended to include the above referred agenda item.

Pursuant to the provisions of Section 110 r/w. Section 151 of the Act and rules made thereunder, election of a small shareholders director, if approved by the Board, can be considered by the members only by way of a resolution put for voting through Postal Ballot. Hence the Board of Directors of the Company may consider the aforementioned notice under Section 151 of the Act at their ensuing Board Meeting.

The Details of the person seeking appointment, to the extent provided under the aforementioned notice are given hereunder:
